LICENSE STATEMENT – FREWARE & REGISTERED VERSIONS

LICENSE AGREEMENT AND WARRANTY DISCLAIMER

You should carefully read the following terms and conditions before using this software. Use of this software indicates your acceptance of these terms and conditions. If you do not agree with them, do not use the software.

FREWARE-DEMO VERSION LICENSE

You are hereby licensed to: use the Freeware Version of ‘SRX Wizard’ - Search and Replace Regular Expression Wizard for as long as you want; Make as many copies of the Freeware version of this software as you wish; Give exact copies of the original Freeware version to anyone; Distribute the Freeware version of the software in its unmodified form via electronic means. There is no charge for any of the above.

You are specifically prohibited from charging, or requesting donations, for any such copies, however made; and from distributing the software and/or documentation with other products (commercial or otherwise) without prior written permission.

The Search and Replace Regular Expression Wizard documentation is not freeware. You are specifically prohibited from distributing in any form the program documentation files: "Srrxwiz.chm" or "SRX.chm" or "SR.chm".

Please visit our website at <http://www.funduc.com> or see Purchase Information in the program F1 documentation for information about registration options.

Note that the program is intended as an adjunct to our ‘Search and Replace’ utility, which is distributed and sold separately.

REGISTERED VERSION LICENSE (For Registered Users)

One registered copy of the SRX Wizard documentation may be dedicated to a single person who uses the software on one or more computers or workstations for which they are the sole, primary user.

A single user license may be used to process as many files on as many drives or network shares as you like. There is no restriction on the number of files that can be processed.

Licensing is not based on "concurrent" users. Licenses may not be "shared". A single user license registration may not be made available in any form to multiple users or workstations unless you have purchased a number of licenses that matches the number of users who will be using the program. If you make the registered version the software documentation of SRX Wizard available through a network and accessible by multiple users or workstations you are required to purchase licenses for the software covering the number of users on all workstations that will access the software

If the software documentation of SRX Wizard is installed on a computer or workstation that has multiple user logons and if multiple users of that machine will access the program .exe you should purchase a number of licenses that matches the number of users.

Special pricing is available for multiple licenses. Please visit our website at <http://www.funduc.com> or see Purchase Information in the program F1 documentation for information about pricing and registration options.

Customer support can be obtained by visiting our homepage at <http://www.funduc.com> or by E-MAIL (support@funduc.com).

REGISTRATION PERIOD

Unless otherwise indicated at the time of purchase this license includes one year of program support via email and program updates as they become available. The license period begins on the day of registration (purchase) and lasts through the final calendar day of that same month one year afterward. Discount update/renewal pricing is available to extend the license for support and program updates.

Contact support@funduc.com for information about license updates/renewals.

OWNERSHIP RIGHTS

Funduc Software, Inc. owns and retains all copyrights, patents, trade secret rights, trademarks and intellectual property rights to this software. Registration &/or use of the software does not grant you any right to the intellectual property in the product.

RESTRICTIONS

You are prohibited by law from selling, renting, leasing, loaning, or donating the program or documentation in whole or in part without specific advance agreement between yourself and Funduc Software, Inc. You are prohibited by law from redistributing the registered version of the program by

any method or in any form except to the specific individuals for whom the software was purchased. You are prohibited from decompiling, reverse engineering, disassembling, or otherwise reducing the program to human readable form for any purposes whatsoever. You may not modify the program or documentation in any manner. You are prohibited from permitting anyone else from undertaking any of the above actions.

You may not decompile, disassemble, modify, or reverse engineer Folder Synchronize (registered or shareware) in any manner.

GOVERNING LAW

This agreement shall be governed by the laws of the State of Michigan, United States of America.

DISCLAIMER OF WARRANTY

This software and the accompanying files are sold "as is" and without warranties as to performance of merchantability or any other warranties whether expressed or implied. In particular, there is no warranty for the string replacing feature.

Good data processing procedure dictates that any program be thoroughly tested with non-critical data before relying on it. The user must assume the entire risk of using the program. Any liability of the seller will be limited exclusively to product replacement or refund of purchase price.
